

**THE CENTER FOR
LEADERSHIP
STUDIES**

THE GLOBAL HOME OF SITUATIONAL LEADERSHIP®

Introducing the

LEARNING JOURNAL

The Learning Journal contains course-specific exercises designed to enhance the leader's knowledge base. This guided, reflective sustainment tool provides leaders with the opportunity for additional practice and consideration. Influence takes a concerted effort by leaders; ask about the Learning Journal today!

Learn through Reflection

Bring your own insights to your learning experience

Learn through Action

Apply the tools and ideas to your work

Learn through Integration

Bring it all together and plan your next moves
