

Public Workshop

Public workshops are two-day events designed to enhance the training experience through interactive activities focused on sharing best practices and peer learning. All public workshops are facilitated by our Certified Trainers and provide a strong opportunity for development or vetting toward certification and organization-wide rollout strategies.

San Francisco, CA
February 18-19, 2019

Situational Leadership®: Building Leaders

Situational Leadership®: Building Leaders introduces participants to the Situational Leadership® Model and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving global marketplace.

Situational Coaching®

Situational Coaching® is a practice-rich, deep dive into Situational Leadership® that provides managers with the tools to unlock and maximize the capabilities of their teams, building their individual and collective capacity for higher levels of current and future performance.
